

# SGSecure Exhibition Activity Sheet

## (Primary)

### What's my role?

SGSecure makes sure we all know what to do in case of emergencies, like fires or accidents. SGSecure has different roles for everyone to play. Some people might be helpers, some might be protectors, and some might be leaders.

Together we all work as a team to keep our school and community safe.

Match the SGSecure roles to the correct descriptions!

I can help to spot fake news and always double check that the information is accurate before sharing it.	I am the first to step forward to help when someone is injured or unwell.	I stay alert and can easily spot things that are unusual or abnormal.	I am a loyal friend and I will support and take care of people around me.	I bring everyone together and I love to make friends.  I can unite people in times of need.	I care and look out for everyone. When there is an emergency, I make sure everyone stays safe.
