

SGSecure Exhibition Activity Sheet (Secondary)

What's my role?

SGSecure is Singapore's community response to the threat of terrorism. It is a movement to build the resilience of our community and a call to action to everyone in our multi-racial, multi-religious society to come together to safeguard Singapore and our way of life.

Everyone has a part to play in keeping Singapore safe. What's Yours? Find out by scanning the QR code below (also available on the first exhibition panel) and attempt the short 7-question [quiz](#) to uncover your SGSecure persona!

- c. Being resilient as individuals and as a community
- d. Building strong ties in the community

In the context of "Staying Alert," what is the main purpose of being watchful?

Answer: ()

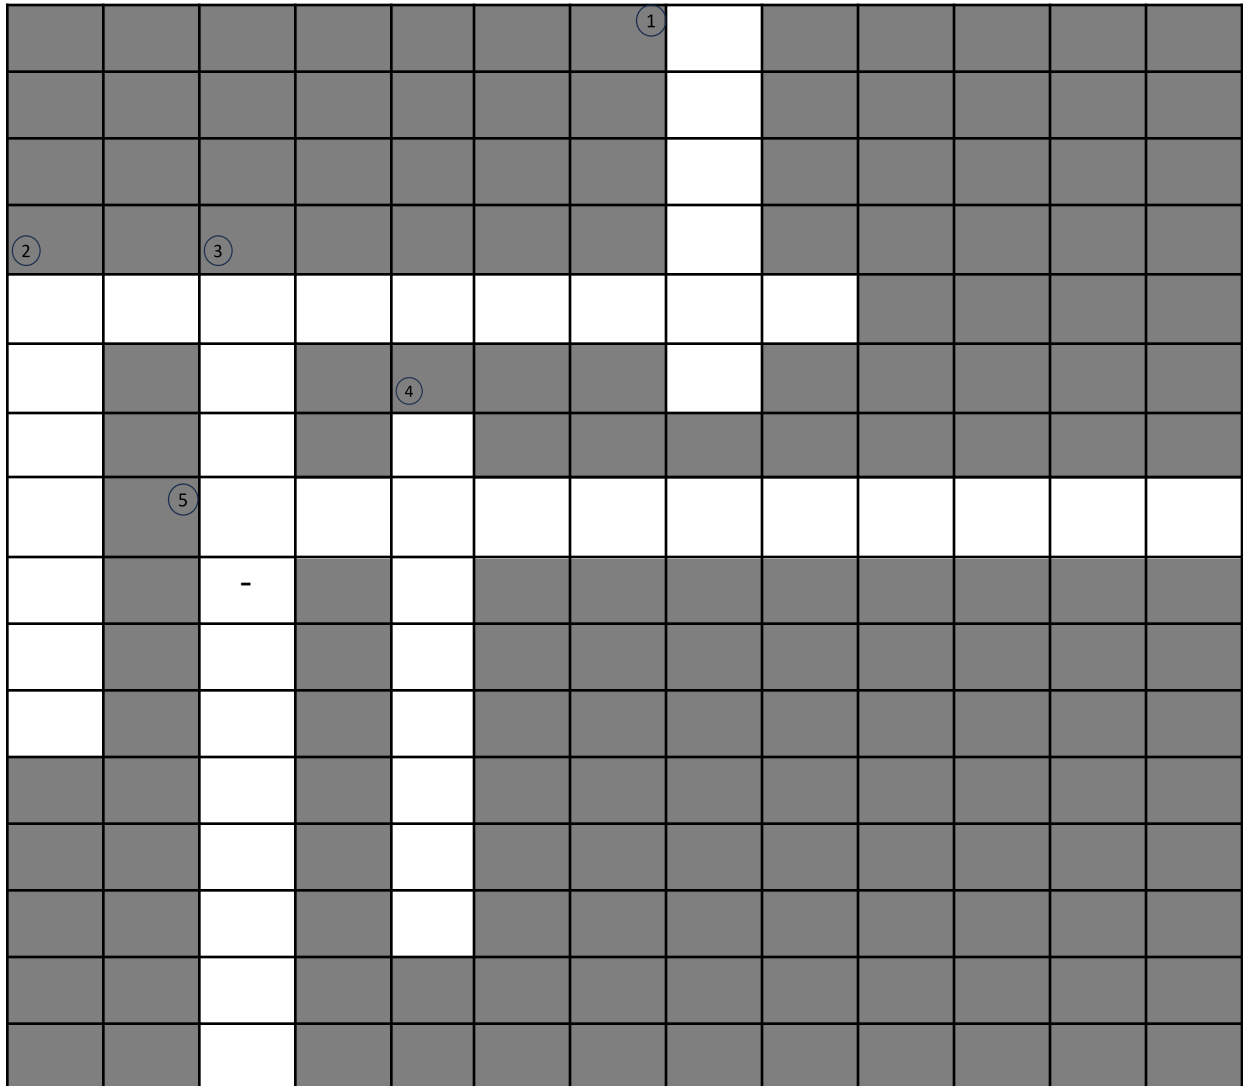

- a. Building strong community ties
- b. Preventing a terrorist attack
- c. Cherishing racial and religious diversity
- d. Bouncing back quickly after a terror attack

What does it mean to "Stay Strong" during challenging times?

Answer: ()

- a. Keeping a positive attitude
- b. Exercising regularly
- c. Eating nutritious food
- d. Watching out for potential dangers

What are the six roles that we can all play to keep Singapore safe?

Across

(2) I would not hesitate to continually learn special skills and apply them in a crisis.

(5) I instinctively know when my loved ones need help and I will do my level best to support them.

Down

(1) I am a people-magnet and enjoy bringing people together so they can bond. -----

(2) I am alert and report anything suspicious in order to deflect any potential threats. -----

(3) I value the truth and want people to also have an awareness of what is legit out there.

(4) In a crisis, I would stay calm and resourceful, responding decisively to take care of everyone.

TRUE OR FALSE – What are some ways to stay safe in a crisis? Circle the correct answer.

1. In the event of an attack, one of the recommended actions is to "Run, Hide, Tell."
T / F
2. When running away from danger during an attack, it is advised to surrender and attempt negotiation if caught.
T / F
3. When hiding during an attack, it is recommended to switch your phone to silent mode and stay out of sight.
T / F
4. If you encounter a casualty who is bleeding while hiding, it is advisable to carry out Improvised First Aid using commonly available items.
T / F
5. In the TIE step of Improvised First Aid, you should tie at least 5cm above the wound using items like a necktie, belt, or sling.
T / F
6. During an attack, if bleeding persists after applying the TIE technique, you should apply the windlass technique using a second tie and a rod.
T / F
7. Speculating and spreading rumors during an attack is encouraged to keep people informed.
T / F
8. It is recommended to get the latest information and advisories from official sources and share them to avoid unwarranted panic.
T / F
9. Everyone has a role to play in protecting the social fabric of Singapore.
T / F
10. I need to be trained in life saving skills to be an SGSecure Responder.
T / F

What I will do!

What are 3 actions I can do to promote safety and security in my community?

(Tip: look for suggestions on various exhibition panels!)

Examples:

- Take part in school emergency drills
- Sign up for First Aid Training
- Get to know your classmates better

I can:

- Click or tap here to enter text.
- Click or tap here to enter text.
- Click or tap here to enter text.

No act is too small!

Take photographs with your schoolmates at the SGSecure photograph booth and share them with the hashtags **#SGSecure** **#whatsyourrole** on your social media!

You can also be an **SGSecure Responder** as long as you are willing and committed to keeping our community safe and secure. Download the **SGSecure app** by scanning the QR code and sign up as an SGSecure Responder by clicking on the "Respond" tab in the app.

Together, we can make SGSecure.
